

# Solar App + Understanding and Implementation

**Wednesday, April 17<sup>th</sup>,  
2024**

9:00 AM – 1:00 PM

**IN PERSON**

**Location:** Fairfield Cordelia  
Library. 5050 Business  
Center Dr. Suite 200  
Fairfield CA 94534

This half-day seminar provided by the Napa Solano ICC Chapter will cover how to read and understand the Solar App + paperwork in the field. Finding the pertinent information without a one line and what all the pages mean and how they are organized. The parameters for a Solar App + submittal. Three types of installations including one with an ESS will be presented to give a good foundation of understanding a Solar App + inspection. This will be an instructor lead roundtable to cover situations encountered in the field.

The ICC Preferred Provider Program will issue 0.4 CEU's.

Mike Schiele has an extensive background in construction and building inspection services. Since the beginning of the Solar App+ program Mike has provided input with the program providers to make sure the program is clear on the utilization and field implementation. Since the pilot program for Solar App+ Mike has maintained communication with the program providers and has developed the knowledge to train building divisions on the effective use and nuances of using the program.

You will leave the training with a better understanding of the program and gain contacts in your area that can assist you in the future. Sign up today!

In-person attendees receive a handout of the covered items in this course. Questions regarding registration?

Please contact Nandi Loggins-Cola at [nandi@solanoedc.org](mailto:nandi@solanoedc.org)

Registration	MEMBER	NON-MEMBER
