TRAINING OVERVIEW

These ICC approved courses provide a study of the accessibility provisions of the California Building Code for privately-funded multifamily developments (11A) as well as provisions for accessibility to public buildings, public accommodations, and commercial buildings and facilities (11B). Gain a practical understanding of disabled access regulations through detailed illustrations, animations, and examples. This training is perfect for visual learners. Get answers to the tough disabled access questions and skills that will help you navigate complex real-world situations.
